

USB SYNC & CHARGER CABLE

FOR SAMSUNG TABLET & SMARTPHONES WITH 30-PIN PORT

(SKU: AST-XM SERIES | REV2) MANUAL V1

Applications Guide:

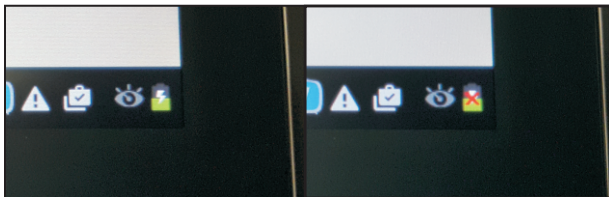

Plug the USB connector to your computer or charger.

Align the 30-pin connector to Samsung device port.

Charging Status:

When using 3rd party USB wall/car charger, make sure it support & recognize the Samsung 30-pin port for proper charging. Compatible charger will show battery with lighting icon (left), otherwise the device will show battery with X icon (right) which means it will still charge the device but slower.
