(SEE REVERSE FOR COUNTRY  
COMPATIBILITY LISTING)

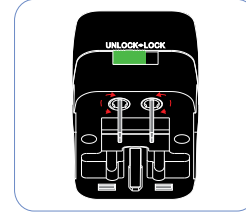

## FEATURES:

- Compact and easy to carry
- All-in-one design with built-in surge protection
- Universal faceplate works with outlets worldwide
- Safety shutter prevents accidental contact
- Made of high impact & durable plastic

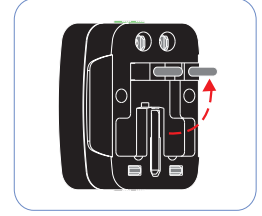

Note: The US adapter converts to AU power outlet just by rotating its power connectors. This adapter uses push/release locking connectors for US/AU & UK plugs.

## UNLOCKING/LOCKING THE POWER CONNECTORS:

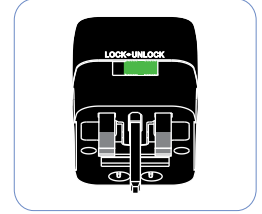

Slide the green Lock/Unlock button to the "unlock" position. After the connector's released, slide button to "lock" position to secure connectors. After you're done using the power adapter, slide button to "unlock" position and while pushing and holding connectors back inside the case, slide button to "lock" position to keep the connectors secure.
