Installation

1. Insert USB pigtail into PC/MAC.
2. Press power switch and make sure it is in the "On" position. You will see the blue light illuminate.
3. PC/MAC will automatically install the UH2-13.
4. Plug in your devices into the UH2-13.
5. If you would like to charge your devices while the computer is off, please use the provided AC adaptor. If not, the AC adaptor is not needed unless devices being used need additional power.

Note:

The use of 8 or more identical devices, i.e. flash drives that are the exact model, simultaneously may cause errors with the UH2-13. In this case, please limit usage to 7 identical devices or use different USB devices.
