

USB TO PRINTER

**CONNECTS PARALLEL PRINTER TO USB PORT
(SKU: UC-1284GB) REV3**

Installation Guide:

- a) Power on the computer and plug the UC-1284GB into the USB port. Windows will automatically install the driver. Plug the Centronics connector of the UC-1284GB directly into your printer and turn on the printer.

- b) On the computer, click on **Start** and go to **Devices and Printers**. Click on **Add Printers**, choose **Local Printer**, and choose **USB001**. Find your printer and install printer driver. (If printer driver is not found, contact printer manufacturer.)

- c) Click on **Print Test Page** to verify the printer is working properly. Now, you are ready to print!

For Windows 98/SE, go to our website to download the driver.
